Section 15-5. The Open Meetings Act is amended by changing Sections 2.01 and 7 as follows:

(5 ILCS 120/2.01) (from Ch. 102, par. 42.01)

Sec. 2.01. All meetings required by this Act to be public shall be held at specified times and places which are convenient and open to the public. No meeting required by this Act to be public shall be held on a legal holiday unless the regular meeting day falls on that holiday.

Except as otherwise provided in this Act, a quorum of members of a public body must be physically present at the location of an open meeting. If, however, an open meeting of a public body (i) with statewide jurisdiction, (ii) that is an Illinois library system with jurisdiction over a specific geographic area of more than 4,500 square miles, (iii) that is a municipal transit district with jurisdiction over a specific geographic area of more than 4,500 square miles, or (iv) that is a local workforce investment area with jurisdiction over a specific geographic area of more than 4,500 square miles is held simultaneously at one of its offices and one or more other locations in a public building, which may include other of its offices, through an interactive video conference and the public body provides public notice and public access as required under this Act for all locations, then members physically present in those locations all count towards determining a quorum. "Public building", as used in this Section, means any building or portion thereof owned or leased by any public body. The requirement that a quorum be physically present at the location of an open meeting shall not apply, however, to State advisory boards or bodies that do not have authority to make binding recommendations or determinations or to take any other substantive action.

Except as otherwise provided in this Act, a quorum of

members of a public body that is not (i) a public body with statewide jurisdiction, (ii) an Illinois library system with jurisdiction over a specific geographic area of more than 4,500 square miles, (iii) a municipal transit district with jurisdiction over a specific geographic area of more than 4,500 square miles, or (iv) a local workforce innovation area with jurisdiction over a specific geographic area of more than 4,500 square miles must be physically present at the location of a closed meeting. Other members who are not physically present at a closed meeting of such a public body may participate in the meeting by means of a video or audio conference. For the purposes of this Section, "local workforce innovation area" means any local workforce innovation area or areas designated by the Governor pursuant to the federal Workforce Innovation and Opportunity Act or its reauthorizing legislation. (Source: P.A. 100-477, eff. 9-8-17.)

(5 ILCS 120/7)

Sec. 7. Attendance by a means other than physical presence.

(a) If a quorum of the members of the public body is physically present as required by Section 2.01, a majority of the public body may allow a member of that body to attend the meeting by other means if the member is prevented from physically attending because of: (i) personal illness or disability; (ii) employment purposes or the business of the public body; or (iii) a family or other emergency. "Other means" is by video or audio conference.

(b) If a member wishes to attend a meeting by other means, the member must notify the recording secretary or clerk of the public body before the meeting unless advance notice is impractical.

(c) A majority of the public body may allow a member to attend a meeting by other means only in accordance with and to the extent allowed by rules adopted by the public body. The rules must conform to the requirements and restrictions of this Section, may further limit the extent to which attendance by other means is allowed, and may provide for the giving of additional notice to the public or further facilitate public access to meetings.

(d) The limitations of this Section shall not apply to (i) closed meetings of (A) public bodies with statewide jurisdiction, (B) Illinois library systems with jurisdiction over a specific geographic area of more than 4,500 square miles, (C) municipal transit districts with jurisdiction over a specific geographic area of more than 4,500 square miles, or (D) local workforce innovation areas with jurisdiction over a specific geographic area of more than 4,500 square miles or (ii) open or closed meetings of State advisory boards or bodies that do not have authority to make binding recommendations or determinations or to take any other substantive action. State advisory boards or bodies, public bodies with statewide jurisdiction, Illinois library systems with jurisdiction over a specific geographic area of more than 4,500 square miles, municipal transit districts with jurisdiction over a specific geographic area of more than 4,500 square miles, and local workforce investment areas with jurisdiction over a specific geographic area of more than 4,500 square miles, however, may permit members to attend meetings by other means only in accordance with and to the extent allowed by specific procedural rules adopted by the body. For the purposes of this Section, "local workforce innovation area" means any local workforce innovation area or areas designated by the Governor pursuant to the federal Workforce Innovation and Opportunity Act or its reauthorizing legislation.

(e) Subject to the requirements of Section 2.06 but notwithstanding any other provision of law, an open or closed meeting subject to this Act may be conducted by audio or video conference, without the physical presence of a quorum of the members, so long as the following conditions are met:

(1) the Governor or the Director of the Illinois Department of Public Health has issued a disaster declaration related to public health concerns because of a disaster as defined in Section 4 of the Illinois Emergency Management Agency Act, and all or part of the jurisdiction of the public body is covered by the disaster area;

(2) the head of the public body as defined in subsection (e) of Section 2 of the Freedom of Information Act determines that an in-person meeting or a meeting conducted under this Act is not practical or prudent because of a disaster;

(3) all members of the body participating in the meeting, wherever their physical location, shall be verified and can hear one another and can hear all discussion and testimony;

(4) for open meetings, members of the public present at the regular meeting location of the body can hear all discussion and testimony and all votes of the members of the body, unless attendance at the regular meeting location is not feasible due to the disaster, including the issued disaster declaration, in which case the public body must make alternative arrangements and provide notice pursuant to this Section of such alternative arrangements in a manner to allow any interested member of the public access to contemporaneously hear all discussion, testimony, and roll call votes, such as by offering a telephone number or a web-based link;

(5) at least one member of the body, chief legal counsel, or chief administrative officer is physically present at the regular meeting location, unless unfeasible due to the disaster, including the issued disaster declaration; and

(6) all votes are conducted by roll call, so each member's vote on each issue can be identified and recorded.

(7) Except in the event of a bona fide emergency, 48 hours' notice shall be given of a meeting to be held pursuant to this Section. Notice shall be given to all members of the public body, shall be posted on the website of the public body, and shall also be provided to any news media who has requested notice of meetings pursuant to subsection (a) of Section 2.02 of this Act. If the public body declares a bona fide emergency:

(A) Notice shall be given pursuant to subsection (a) of Section 2.02 of this Act, and the presiding officer shall state the nature of the emergency at the beginning of the meeting.

(B) The public body must comply with the verbatim recording requirements set forth in Section 2.06 of this Act.

(8) Each member of the body participating in a meeting by audio or video conference for a meeting held pursuant to this Section is considered present at the meeting for purposes of determining a quorum and participating in all proceedings.

(9) In addition to the requirements for open meetings under Section 2.06, public bodies holding open meetings under this subsection (e) must also keep a verbatim record of all their meetings in the form of an audio or video recording. Verbatim records made under this paragraph (9) shall be made available to the public under, and are otherwise subject to, the provisions of Section 2.06.

(10) The public body shall bear all costs associated with compliance with this subsection (e).

(c) A notarial act satisfies the "appearing before" requirement under Section 6-102 of the Illinois Notary Public Act if the notary public performs a remote notarization via two-way audio-video communication technology, provided that the Notary Public commissioned in Illinois is physically within the State while performing the notarial act and the transaction follows any guidance or rules provided by the Illinois Secretary of State in existence on the date of notarization.

(d) An act of witnessing and the technology used in the audio-video communication must substantially comply with the following process: (1) the two-way audio-video communication must be recorded and preserved by the signatory or the signatory's designee for a period of at least 3 years; (2) the signatory must attest to being physically located in Illinois during the two-way audio-video communication; (3) the witness must attest to being physically located in Illinois during the two-way audio-video communication; (4) the signatory must affirmatively state on the two-way audio-video communication what document the signatory is signing; (5) each page of the document being witnessed must be shown to the witness on the two-way audio-video communication technology in a means clearly legible to the witness and initialed by the signatory in the presence of the witness; (6) the act of signing must be captured sufficiently up close on the two-way audio-video communication for the witness to observe; (7) the signatory must transmit by overnight mail, fax, electronic or other means a legible copy of the entire signed document directly to the witness no later than the day after the document is signed; (8) the witness must sign the transmitted copy of the document as a witness and transmit the signed copy of the document back via overnight mail, fax, electronic or other means to the signatory within 24 hours of receipt; and (9) if necessary, the witness may sign the original signed document as of the date of the original execution by the signatory provided that the witness receives the original signed document together with the electronically witnessed copy within thirty days from the date of the remote witnessing.

(d) The prohibition on electronic signatures on certain documents in subsection (c) of Section 120 remains in full effect.

(e) Notwithstanding any law or rule of the State of Illinois to the contrary, absent an express prohibition in a document against signing in counterparts, all legal documents, including, but not limited to, deeds, last wills and testaments, trusts, durable powers of attorney for property, and powers of attorney for health care, may be signed in counterparts by the witnesses and the signatory. A notary public must be presented with a fax or electronic copy of the document signature pages showing the witness signatures on the same date the document is signed by the signatory if the notary public is being asked to certify to the appearance of the witnesses to a document.

(f) Any technology issues that may occur do not impact the validity or effect of any instrument or document signed under this Section. As used in this Section, "technology issues" include, but are not limited to, problems with the internet connection, user error related to the use of technology, the file containing a recorded act becoming corrupted, or other temporary malfunctions involving the technology used in an act of witnessing or a notarial act.

Sec. 4A-105. Time for filing. Except as provided in Section 4A-106.1, by May 1 of each year a statement must be filed by each person whose position at that time subjects him to the filing requirements of Section 4A-101 or 4A-101.5 unless he has already filed a statement in relation to the same unit of government in that calendar year.

Statements must also be filed as follows:

(a) A candidate for elective office shall file his statement not later than the end of the period during which he can take the action necessary under the laws of this State to attempt to qualify for nomination, election, or retention to such office if he has not filed a statement in relation to the same unit of government within a year preceding such action.

(b) A person whose appointment to office is subject to confirmation by the Senate shall file his statement at the time his name is submitted to the Senate for confirmation.

(b-5) A special government agent, as defined in item (1) of Section 4A-101 of this Act, shall file a statement within 30 days after making the first ex parte communication and each May 1 thereafter if he or she has made an ex parte communication within the previous 12 months.

(c) Any other person required by this Article to file the statement shall file a statement at the time of his or her initial appointment or employment in relation to that unit of government if appointed or employed by May 1.

If any person who is required to file a statement of economic interests fails to file such statement by May 1 of any year, the officer with whom such statement is to be filed under Section 4A-106 or 4A-106.5 of this Act shall, within 7 days after May 1, notify such person by certified mail of his or her failure to file by the specified date. Except as may be prescribed by rule of the Secretary of State, such person shall file his or her statement of economic interests on or before May 15 with the appropriate officer, together with a \$15 late filing fee. Any such person who fails to file by May 15 shall be subject to a penalty of \$100 for each day from May 16 to the date of filing, which shall be in addition to the \$15 late filing fee specified above. If such person fails to file such statement by May 31, the officer with whom such statement is to be filed under Section 4A-106 or 4A-106.5 of this Act shall, within 7 days after May 31, notify such person by certified mail of his or her failure to file by the specified date. Such person shall file his or her statement of economic interests on or before June 15 with the appropriate officer, together with a \$15 late filing fee. Any such person who fails to file by June 15 shall be subject to a penalty of \$100 per day for each day from June 16 to the date of filing, which shall be in addition to the \$15 late filing fee specified above. Failure to file by June 30 shall result in a forfeiture in accordance with Section 4A-107 of this Act.

All late filing fees and penalties collected pursuant to this Section shall be paid into the General Revenue Fund in the State treasury, if the Secretary of State receives such statement for filing, or into the general fund in the county treasury, if the county clerk receives such statement for filing. The Attorney General, with respect to the State, and the several State's Attorneys, with respect to counties, shall take appropriate action to collect the prescribed penalties.

Failure to file a statement of economic interests within the time prescribed shall not result in a fine or ineligibility for, or forfeiture of, office or position of employment, as the case may be; provided that the failure to file results from not being included for notification by the appropriate agency, clerk, secretary, officer or unit of government, as the case may be, and that a statement is filed within 30 days of actual notice of the failure to file.

Beginning with statements required to be filed on or after May 1, 2009, the officer with whom a statement is to be filed may, in his or her discretion, waive the late filing fee, the monetary late filing penalty, and the ineligibility for or forfeiture of office or position for failure to file when the person's late filing of a statement or failure to file a statement is due to his or her (i) serious or catastrophic illness that renders the person temporarily incapable of completing the statement or (ii) military service.

Notwithstanding any provision of law or rule to the contrary, the deadlines for filing statements of economic interests under this Section on or after March 17, 2020 shall be suspended until August 1, 2020.

(9) Contracts with a foreign entity for research or educational activities, provided that the foreign entity either does not maintain an office in the United States or is the sole source of the service or product.

Notice of each contract entered into by a public institution of higher education that is related to the procurement of goods and services identified in items (1) through (9) of this subsection shall be published in the Procurement Bulletin within 14 calendar days after contract execution. The Chief Procurement Officer shall prescribe the form and content of the notice. Each public institution of higher education shall provide the Chief Procurement Officer, on a monthly basis, in the form and content prescribed by the Chief Procurement Officer, a report of contracts that are related to the procurement of goods and services identified in this subsection. At a minimum, this report shall include the name of the contractor, a description of the supply or service provided, the total amount of the contract, the term of the contract, and the exception to the Code utilized. A copy of any or all of these contracts shall be made available to the Chief Procurement Officer immediately upon request. The Chief Procurement Officer shall submit a report to the Governor and General Assembly no later than November 1 of each year that shall include, at a minimum, an annual summary of the monthly information reported to the Chief Procurement Officer.

(b-5) Except as provided in this subsection, the provisions of this Code shall not apply to contracts for medical supplies, and to contracts for medical services necessary for the delivery of care and treatment at medical, dental, or veterinary teaching facilities utilized by Southern Illinois University or the University of Illinois and at any university-operated health care center or dispensary that provides care, treatment, and medications for students, faculty and staff. Other supplies and services needed for these teaching facilities shall be subject to the jurisdiction of the Chief Procurement Officer for Public Institutions of Higher Education who may establish expedited procurement procedures and may waive or modify certification, contract, hearing, process and registration requirements required by the Code. All procurements made under this subsection shall be documented and may require publication in the Illinois Procurement Bulletin.

(b-10) Procurements made by or on behalf of the University of Illinois for investment services scheduled to expire June 2020 may be extended through June 2021 without being subject to the requirements of this Code. Any contract extended, renewed, or entered pursuant to this exception shall be published on the Executive Ethics Commission's website within 5 days of contract execution. This subsection is inoperative on and after July 1, 2021.

(c) Procurements made by or on behalf of public institutions of higher education for the fulfillment of a grant shall be made in accordance with the requirements of this Code to the extent practical.

Upon the written request of a public institution of higher education, the Chief Procurement Officer may waive contract, registration, certification, and hearing requirements of this Code if, based on the item to be procured or the terms of a grant, compliance is impractical. The public institution of higher education shall provide the Chief Procurement Officer with specific reasons for the waiver, including the necessity of contracting with a particular potential contractor, and shall certify that an effort was made in good faith to comply with the provisions of this Code. The Chief Procurement Officer shall provide written justification for any waivers. By November 1 of each year, the Chief Procurement Officer shall file a report with the General Assembly identifying each contract approved with waivers and providing the justification given for any waivers for each of those contracts. Notice of each waiver made under this subsection shall be published in the Procurement Bulletin within 14 calendar days after contract execution. The Chief Procurement Officer shall prescribe the form and content of the notice.

(d) Notwithstanding this Section, a waiver of the

registration requirements of Section 20-160 does not permit a business entity and any affiliated entities or affiliated persons to make campaign contributions if otherwise prohibited by Section 50-37. The total amount of contracts awarded in accordance with this Section shall be included in determining the aggregate amount of contracts or pending bids of a business entity and any affiliated entities or affiliated persons.

(e) Notwithstanding subsection (e) of Section 50-10.5 of this Code, the Chief Procurement Officer, with the approval of the Executive Ethics Commission, may permit a public institution of higher education to accept a bid or enter into a contract with a business that assisted the public institution of higher education in determining whether there is a need for a contract or assisted in reviewing, drafting, or preparing documents related to a bid or contract, provided that the bid or contract is essential to research administered by the public institution of higher education and it is in the best interest of the public institution of higher education to accept the bid or contract. For purposes of this subsection, "business" includes all individuals with whom a business is affiliated, including, but not limited to, any officer, agent, employee, consultant, independent contractor, director, partner, manager, or shareholder of a business. The Executive Ethics Commission may promulgate rules and regulations for the implementation and administration of the provisions of this subsection (e).

(f) As used in this Section:

"Grant" means non-appropriated funding provided by a federal or private entity to support a project or program administered by a public institution of higher education and any non-appropriated funding provided to a sub-recipient of the grant.

"Public institution of higher education" means Chicago State University, Eastern Illinois University, Governors State University, Illinois State University, Northeastern Illinois University, Northern Illinois University, Southern Illinois University, University of Illinois, Western Illinois University, and, for purposes of this Code only, the Illinois Mathematics and Science Academy.

(g) (Blank).

(h) The General Assembly finds and declares that:

(1) Public Act 98-1076, which took effect on January 1, 2015, changed the repeal date set for this Section from December 31, 2014 to December 31, 2016.

(2) The Statute on Statutes sets forth general rules on the repeal of statutes and the construction of multiple amendments, but Section 1 of that Act also states that these rules will not be observed when the result would be "inconsistent with the manifest intent of the General Assembly or repugnant to the context of the statute".

(3) This amendatory Act of the 100th General Assembly manifests the intention of the General Assembly to remove the repeal of this Section.

(4) This Section was originally enacted to protect, promote, and preserve the general welfare. Any construction of this Section that results in the repeal of this Section on December 31, 2014 would be inconsistent with the manifest intent of the General Assembly and repugnant to the context of this Code.

It is hereby declared to have been the intent of the General Assembly that this Section not be subject to repeal on December 31, 2014.

This Section shall be deemed to have been in continuous effect since December 20, 2011 (the effective date of Public Act 97-643), and it shall continue to be in effect henceforward until it is otherwise lawfully repealed. All previously enacted amendments to this Section taking effect on or after December 31, 2014, are hereby validated.

All actions taken in reliance on or pursuant to this Section by any public institution of higher education, person, or entity are hereby validated.

In order to ensure the continuing effectiveness of this Section, it is set forth in full and re-enacted by this amendatory Act of the 100th General Assembly. This re-enactment is intended as a continuation of this Section. It is not intended to supersede any amendment to this Section that is enacted by the 100th General Assembly.

In this amendatory Act of the 100th General Assembly, the base text of the reenacted Section is set forth as amended by Public Act 98-1076. Striking and underscoring is used only to

show changes being made to the base text.

This Section applies to all procurements made on or before the effective date of this amendatory Act of the 100th General Assembly.

Section 15-45. The Park District Aquarium and Museum Act is amended by changing Section 1 as follows:

(70 ILCS 1290/1) (from Ch. 105, par. 326)

Sec. 1. Erect, operate, and maintain aquariums and museums. The corporate authorities of cities and park districts having control or supervision over any public park or parks, including parks located on formerly submerged land, are hereby authorized to purchase, erect, and maintain within any such public park or parks edifices to be used as aquariums or as museums of art, industry, science, or natural or other history, including presidential libraries, centers, and museums, such aquariums and museums consisting of all facilities for their collections, exhibitions, programming, and associated initiatives, or to permit the directors or trustees of any corporation or society organized for the construction or maintenance and operation of an aquarium or museum as hereinabove described to erect, enlarge, ornament, build, rebuild, rehabilitate, improve, maintain, and operate its aquarium or museum within any public park now or hereafter under the control or supervision of any city or park district, and to contract with any such directors or trustees of any such aquarium or museum relative to the erection, enlargement, ornamentation, building, rebuilding, rehabilitation, improvement, maintenance, ownership, and operation of such aquarium or museum. Notwithstanding the previous sentence, a city or park district may enter into a lease for an initial term not to exceed 99 years, subject to renewal, allowing a corporation or society as hereinabove

described to erect, enlarge, ornament, build, rebuild, rehabilitate, improve, maintain, and operate its aquarium or museum, together with grounds immediately adjacent to such aquarium or museum, and to use, possess, and occupy grounds surrounding such aquarium or museum as hereinabove described for the purpose of beautifying and maintaining such grounds in a manner consistent with the aquarium or museum's purpose, and on the conditions that (1) the public is allowed access to such grounds in a manner consistent with its access to other public parks, and (2) the city or park district retains a reversionary interest in any improvements made by the corporation or society on the grounds, including the aquarium or museum itself, that matures upon the expiration or lawful termination of the lease.

It is hereby reaffirmed and found that the aquariums and museums as described in this Section, and their collections, exhibitions, programming, and associated initiatives, serve valuable public purposes, including, but not limited to, furthering human knowledge and understanding, educating and inspiring the public, and expanding recreational and cultural resources and opportunities. Any city or park district may charge, or permit such an aquarium or museum to charge, an admission fee. Any such aquarium or museum, however, shall be open without charge, when accompanied by a teacher, to the children in actual attendance upon grades kindergarten through twelve in any of the schools in this State at all times. In addition, except as otherwise provided in this Section, any such aquarium or museum must be open to persons who reside in this State without charge for a period equivalent to 52 days, at least 6 of which must be during the period from June through August, each year. Beginning on the effective date of this amendatory Act of the 101st General Assembly through June 30, 2022, any such aquarium or museum must be open to persons who reside in this State without charge for a period equivalent to 52 days, at least 6 of which must be during the period from June through August, 2021. Notwithstanding said provisions, charges may be made at any time for special services and for admission to special facilities within any aquarium or museum for the education, entertainment, or convenience of visitors. The proceeds of such admission fees and charges for special services and special facilities shall be devoted exclusively to the purposes for which the tax authorized by Section 2 hereof may be used. If any owner or owners of any lands or lots abutting or fronting on any such public park, or adjacent thereto, have any private right, easement, interest or property in such public park appurtenant to their lands or lots or otherwise, which would be interfered with by the erection and maintenance of any aquarium or museum as hereinbefore provided, or any right to have such public park remain open or vacant and free from buildings, the corporate authorities of the city or park district having control of such park, may condemn the same in the manner prescribed for the exercise of the right of eminent domain under the Eminent Domain Act. The changes made to this Section by this amendatory Act of the 99th General Assembly are declaratory of existing law and shall not be construed as a new enactment.

(625 ILCS 5/2-129 new)

Sec. 2-129. Expiration dates. All expiration periods set forth in this Code shall be subject to the provisions of Section 30 of the Secretary of State Act.

ARTICLE 20. MUNICIPAL BUDGET

Section 20-5. The Illinois Municipal Code is amended by changing Sections 8-2-9 and 8-2-9.4 as follows:

(65 ILCS 5/8-2-9) (from Ch. 24, par. 8-2-9)

Sec. 8-2-9. In municipalities with less than 500,000 inhabitants, except as otherwise provided in this Section, the corporate authorities shall pass an ordinance within the first quarter of each fiscal year, to be termed the annual appropriation ordinance. On and after January 1, 2020, if a disaster, state of emergency, or national emergency is declared within the 60 days preceding the end of the first quarter of a municipality's fiscal year and the disaster, emergency, or

declaration impacts the municipality, the time limit to pass the annual appropriation ordinance shall be extended for the duration of the disaster or emergency and for 60 days thereafter. During the extended period, the municipality may expend sums of money up to amounts budgeted or appropriated for those objects and purposes in the previous fiscal year to defray all necessary expenses and liabilities of the municipality. In this ordinance, the corporate authorities (i) may appropriate sums of money deemed necessary to defray all necessary expenses and liabilities of the municipalities, including the amounts to be deposited in the reserves provided for in the Illinois Pension Code and (ii) shall specify the objects and purposes for which these appropriations are made and the amount appropriated for each object or purpose. Among the objects and purposes specified shall be the reserves provided for in the Illinois Pension Code. Except as otherwise provided, no further appropriations shall be made at any other time within the same fiscal year, unless a proposition to make each additional appropriation has been first sanctioned by a petition signed by electors of the municipality numbering more than 50% of the number of votes cast for the candidates for mayor or president at the last preceding general municipal election at which a mayor or president was elected, by a petition signed by them, or by a majority of those voting on the question at a regular election or at an emergency referendum authorized in accordance with the general election law. The corporate authorities may by ordinance initiate the submission of the proposition. During any fiscal year, the corporate authorities in municipalities subject to this Section may adopt a supplemental appropriation ordinance in an amount not in excess of the aggregate of any additional revenue available to the municipality, or estimated to be received by the municipality after the adoption of the annual appropriation ordinance for that fiscal year, or from fund balances available when the annual appropriation ordinance was adopted but that were not appropriated at that time. The provisions of this Section prohibiting further appropriations without sanction by petition or election shall not be applicable to the supplemental appropriation for that fiscal year. The corporate authorities at any time, however, by a two-thirds vote of all the members of the body, may make transfers within any department or other separate agency of the municipal government of sums of money appropriated for one corporate object or purpose to another corporate object or purpose, but no appropriation for any object or purpose shall thereby be reduced below an amount sufficient to cover all obligations incurred or to be incurred against the appropriation. Nothing in this Section shall deprive the corporate authorities of the power to provide for and cause to be paid from the funds of the municipality any charge imposed by law without the action of the corporate authorities, the payment of which is ordered by a court of competent jurisdiction.

At least 10 days before the adoption of the annual appropriation ordinance, the corporate authorities of municipalities over 2,000 in population shall make the proposed appropriation ordinance or a formally prepared appropriation or budget document upon which the annual appropriation ordinance will be based conveniently available to public inspection. In addition, the corporate authorities shall hold at least one public hearing on that proposed appropriation ordinance. Notice of this hearing shall be given publication in one or more newspapers published in the municipality or, if there is none published in the municipality, in a newspaper published in the county and having general circulation in the municipality at least 10 days before the time of the public hearing. The notice shall state the time and place of the hearing and the place where copies of the proposed appropriation ordinance or formally prepared appropriation or budget document will be accessible for examination. The annual appropriation ordinance may be adopted at the same meeting at which the public hearing is held or at any time after that public hearing.

After the public hearing and before final action is taken on the appropriation ordinance, the corporate authorities may revise, alter, increase, or decrease the items contained in the ordinance.

Notwithstanding any above provision of this Section, any municipality in which Article 5 becomes effective after the annual appropriation ordinance has been passed for the current fiscal year may amend the appropriation ordinance in any manner

necessary to make Article 5 fully operative in that municipality for that fiscal year. No amendment shall be construed, however, to affect any tax levy made on the basis of the original appropriation ordinance.

This Section does not apply to municipalities operating under special charters.

(65 ILCS 5/8-2-9.4) (from Ch. 24, par. 8-2-9.4)

Sec. 8-2-9.4. Passage of the annual budget by the corporate authorities shall be in lieu of passage of the appropriation ordinance as required by Section 8-2-9 of this Act. The annual budget need not be published except in a manner provided for in Section 8-2-9.9. Except as otherwise provided in this Section, the annual budget shall be adopted by the corporate authorities before the beginning of the fiscal year to which it applies. On and after January 1, 2020, if a disaster, state of emergency, or national emergency is declared within 60 days of the end of a municipality's fiscal year and the disaster, emergency, or declaration impacts the municipality, the time limit to pass the annual budget shall be extended for the duration of the disaster or emergency and for 60 days thereafter. During the extended period, the municipality may expend sums of money up to amounts budgeted or appropriated for those objects and purposes in the previous fiscal year to defray all necessary expenses and liabilities of the municipality.

Task Force members shall serve without compensation but may be reimbursed for their expenses incurred in performing their duties.

The Department of Insurance shall provide administrative and other support to the Task Force.

The Task Force shall submit the report of its findings and recommendations to the Governor and the General Assembly by December 31, 2020. The Task Force is dissolved, and this Section is repealed, on December 31, 2021.
