CRIMINAL JUSTICE OMNIBUS BILL

FREE WEBINAR ON HB 3653

In response to the new IL Criminal Justice Omnibus Bill (HB 3653), the Illinois Counties Risk Management Trust (ICRMT) will be hosting a webinar to cover the changes required by the new law.

This law has far reaching implications for law enforcement operations in areas including policy, training, body worn cameras, and documentation for transparency around officer misconduct and discipline. The LLRMI and ICRMT have adjusted the necessary policies and training required from the new law and has made the policies available to any agency in IL. The webinar will cover agency obligations required by the law and the risk management solutions available.
