Provides that if the Gaming Board does not issue certain riverboat and casino licenses within the time period specified under current law, then the Gaming Board shall reopen the license application process for those licenses that have not been issued. Makes changes to the reconciliation payments required by casinos and organization gaming licensees. Changes the privilege tax imposed on adjusted gross receipts from a casino in the City of Chicago and provides specified rates that shall be paid to the State and the City of Chicago (rather than one-third of adjusted gross receipts to the City of Chicago). Makes changes to the division of tax revenue generated from the casino in the City of Chicago. Makes other changes. Effective immediately.

Fiscal Note, House Floor Amendment No. 5 ()

SB 516 HA #5 makes multiple changes to the Illinois Gambling Act and State Fair Gaming Act. The Illinois Gaming Board (“IGB”) is a regulatory and civil law enforcement agency. It is not a forecasting agency and does not have the capability and resources to provide a fiscal analysis of HA #5 within the required 5 day period. The changes HA #5 makes to the Chicago casino tax structure are new and, accordingly, have not been reviewed and analyzed by the IGB. Other significant changes contained in the bill, such as the extension of the reconciliation payment to 6 years and the removal of interest on those payments, will reduce state revenues by an unknown amount that the IGB cannot estimate. Further, the acceleration of the reduced tax rate for current casinos will decrease state revenues by a similarly unknown amount. This provision will also impose substantial administrative and operational burdens on the IGB if the tax rate change goes into effect in an accelerated manner as proposed in HA #5, thereby delaying the IGB’s ability to implement this rate change and other gaming expansion items.

House Floor Amendment No. 6

In provisions amending the Illinois Gambling Act, provides that if at any point after June 1, 2020 there are no pending applications for an owners license for a newly authorized casino and not all owners licenses for newly authorized casinos have been issued (rather than if the Illinois Gaming Board does not issue all owners licenses for newly authorized casinos within the specified time period), then the Board shall reopen the license application process for owners licenses for newly authorized casinos that have not been issued. Provides that the Board shall follow the licensing process provided in the provisions with all time frames tied to the last date of a final order issued by the Board (instead of all time frames tied to the last date for issuing a license) rather than a specified date. Makes changes to the privilege tax rates for tables games to begin on the first date that a newly authorized casino conducts gambling operations.

House Floor Amendment No. 7

In provisions amending the Illinois Gambling Act, provides that fees for gaming positions for riverboats and casinos shall be paid by July 1, 2021 (rather than July 1, 2020). Amends the Sports Wagering Act. Provides that the license fee for an initial master sports wagering license issued to an organization licensee under the Illinois Horse Racing Act of 1975 shall be paid by July 1, 2021 (rather than July 1, 2020).

House Floor Amendment No. 9

We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. These costs include, but are not limited to: (1) Software programming costs incurred by the local election authorities to meet these requirements; (2).Expanded VBM costs: additional envelopes, certification envelopes, return envelopes, postage, additional costs associated with third-party vendors performing some or all of these services vs. election authorities performing them in-house, etc; (3) Mail processing equipment: sorting, folding, processing, etc; (4) Tabulation equipment: additional tabulators and/or higher volume tabulators.; (5) Additional temporary staffing and/or staffing overtime costs for pre- and post-election activities directly attributable to expanded VBM (i.e. - teams of 3 election judges are more than would be typically required for conducting the signature verification process, etc.); (6) Costs associated with personal protection equipment and sanitation supplies; (7) Purchase and installation of ballot drop boxes; (8) Increase costs associated with securing and staffing Election Day vote centers. The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #5

Judicial Note, House Floor Amendment No. 6 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

State Debt Impact Note, House Floor Amendment No. 6 (Government Forecasting & Accountability)

SB 1863, as amended by House Amendment 6, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Land Conveyance Appraisal Note, House Floor Amendment No. 6 (Dept. of Transportation)

No land conveyances are included in Senate Bill 1863 House Amendment #6; therefore, there are no appraisals to be filed.

Balanced Budget Note, House Floor Amendment No. 6 (Office of Management and Budget)

Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note, House Floor Amendment No. 6 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

Pension Note, House Floor Amendment No. 6 (Government Forecasting & Accountability)

Home Rule Note, House Floor Amendment No. 6 (Dept. of Commerce & Economic Opportunity)

State Mandates Fiscal Note, House Floor Amendment No. 6 (Dept. of Human Services)

This bill does not create a State mandate.

Fiscal Note, House Floor Amendment No. 6 (State Board of Elections)

It is our opinion the contents of Senate Bill 1863, as amended by House Floor Amendment #6, would have an impact on the

fiscal operations of the State Board of Elections. We anticipate the contents of the bill will expend all of the allotted funding the SBE has received from the CARES Act, which is approximately \$16,759,400 (including matching funds). The aforementioned funding would be expended through grants to local election authorities to help offset costs associated with this bill and other COVID-19 related expenditures. The State Board of Elections believes the CARES Act funding will not be sufficient to offset all of the costs associated with SB1863, as amended by House Floor Amendment #6.

Correctional Note, House Floor Amendment No. 7 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

State Debt Impact Note, House Floor Amendment No. 7 (Government Forecasting & Accountability)

SB 1863, as amended by House Amendment 7, would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note, House Floor Amendment No. 7 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Balanced Budget Note, House Floor Amendment No. 7 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 1863, as amended by House Amendment 7 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note, House Floor Amendment No. 7 (Government Forecasting & Accountability)

SB 1873, as amended by HA 7, will not impact any public pension fund or retirement system in the State of Illinois.

Home Rule Note, House Floor Amendment No. 7 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

State Mandates Fiscal Note, House Floor Amendment No. 7 (Dept. of Commerce & Economic Opportunity)

Housing Affordability Impact Note, House Floor Amendment No. 6 (Housing Development Authority)

Housing Affordability Impact Note, House Floor Amendment No. 7 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.
